

FINANCIAL BENEFICIARIES

Use your passion for cycling, and your connections with friends, family and business colleagues to raise financial support and awareness for the plight of the Rhino. Every little helps, ALL donations go **direct** to Project Rhino www.projectrhino.org, and what a lifetime experience this will be to make your contribution:

1-Day, 234km, Mt Sheba to HESC@Kapama Game reserve

The ride goes through Pilgrims Rest, Sabie, and endless kilometres of forest. Grant Fowlds from Rhino Art pulled out all the stops with special permissions with land owners and forestries all along the route with the help of Dennis Lawrie from Forest Adventures dlawrie@forestventures.co.za to scout the route - it's a one of a kind ride with beautiful scenery and a finishing cycle through Kapama, a Big 5 Game Reserve, to top things off.

Friday 27th March, travel to Mt Sheba and stay overnight at the 4 Star Mount Sheba: <http://www.mountsheba.co.za>

Some Funds will towards the Junior Honorary rangers in KNP via the Unite against poaching.
